30 APR 1974

MEMORANDUM FOR: Director, Equal Employment Opportunity
SUBJECT : Headquarters Notice on EEO

1. Reference is made to our recent exchange of correspondence on the need for another notice on EEO, particularly a heavy expansion on details which were not included in the 2 October 1973 publication. The Office of Logistics is in the process of acquiring additional classified bulletin boards for use in the Headquarters area, and I would urge that, in the future, we take advantage of the situation, rather than abusing the "notice" machinery every time there are minor changes.

2. While I hold to the several points covered in my memorandum of 24 April 1974, I must admit that I felt most strongly about the "black panel," which you have now deleted from the draft. On this basis, the Management and Services Directorate interposes no objection to the issuance of the new notice, which rescinds HN
